Letter of Solidarity

To the Members of the Association of Diocesan Clergy of St. George's in Grenada

It is with heavy hearts but fervent hope that we the executive members of the Association of Diocesan Clergy of the Province of Castries stand in solidarity with Bishop Clyde Harvey, clergy and faithful of the Church in Grenada. We recognise the pain and division this situation has caused, and we pray that the Lord will bestow wisdom and counsel, patience, and understanding on Bishop Harvey, Fr. Paul and parishioners as they work towards preserving the unity of the Church.

We support the sentiments of Archbishop Malzaire and his efforts in this regard; especially in his exhortation that the Church's system of laws and procedures be respected and followed by all involved.

We continue to offer prayerful support for the intervention of the Holy Spirit especially during this Easter season and as we look forward to Pentecost. It is our hope that good sense may prevail towards a fraternal resolution in the interest of the Grenadian church.

We are called at this time to reflect seriously on Jesus' exhortation "that they may be one even as We are" (John 17:11).

Fraternally in Christ,

Fr Alando Williams
President

Fr Peter Mary Emmanuel – Vice-president
Fr Nigel Karam – Secretary
Fr Herman Sharplis – Assistant Secretary
Fr. Albert Smith – Treasurer
