Message of Solidarity

Most Rev. Clyde Martin Harvey, Bishop of St. George's in Grenada
Most Rev. Gerard County, Bishop of St. Vincent and the Grenadines

To our beloved brothers and sisters of Grenada, Carriacou, Petit Martinique, St. Vincent, and the Grenadines.

The Diocese of Roseau and Caritas Dominica extend our deepest sympathies and unwavering solidarity to you during this difficult time. The passing of Hurricane Beryl has brought with it immense challenges and heartache, and our hearts are heavy with concern for your safety and well-being.

We understand the devastation and hardship that such natural disasters can bring, having faced similar trials ourselves. Yet, we also know the strength, unity, and courage that arise from within our communities in these moments of adversity.

In the face of such adversity, we are reminded of the resilience that defines our Caribbean spirit. Together, as one united community, we will support each other through this ordeal. Please know that our prayers and thoughts are with each and every one of you. We stand ready to assist in any way possible, offering our resources and support as you navigate the aftermath of the hurricane. You are not alone.

May our collective faith and compassion help to rebuild, restore, and renew your spirits and your lands.

May God's grace and protection be with you, providing comfort and hope in the days ahead. We are here with you, in solidarity and in faith, as you rebuild and restore your beautiful islands.

With heartfelt solidarity, prayers and unwavering support,

Msgr. William John-Lewis
